

## Informational meeting agenda for prospective beta leaders and/or participants

1. *Welcome guests and thank them for attending. Open in prayer.*
2. “I’m excited to tell you about this new opportunity for small-group Christian study. The BeADisciple Study App is coming our way, and the first studies offered are Disciple Fast Track I and II. We’re looking for volunteers to lead groups beginning this fall and for participants to join these groups. Let me begin by showing you an overview video.”
3. *Screen the promo video found on the homepage of BeADiscipleApp.com.*
4. “I know you probably have questions already, but first I want to show you an in-depth video on using the app, and I think this will answer some of your questions.”
5. *Screen the in-depth video linked below the promo video (also found under ‘THE APP’ > ‘App Features’ in the site menu). Highlight anything else on the website that you want to point out.*

6. “Before I answer your questions, let me share with you our hope: We want to start [add number] Disciple Fast Track groups beginning in [add time reference]. It’s a 24-week study, but there will be a break during the holidays, and then we’ll finish in the spring.” *(Note: While completing Disciple Fast Track I is not a requirement to taking Disciple Fast Track II, it is highly recommended. If you have offered the first study in the series in previous years, you will want to offer graduates Disciple Fast Track II.)*
  
7. “For those of you who may be willing to lead, as you learned in the video, all leader training is included.” *(Add if applicable: “Our church budget will pay the cost for our leaders. Participants will pay for their study unless a scholarship is needed.”)* “The leader guide makes this study easy to facilitate. All you really need is a heart for helping your group, a commitment to complete the weekly readings like everyone else, plus an additional half-hour to review each week’s leader guide before meetings.”
  
8. “If you want to participate, please let me know whether you’re interested in Disciple Fast Track I or II. You will receive an invitation once we’ve recruited leaders.”
  
9. *Take questions.*
  
10. *Close in prayer.*
