## I want to be a Disciple beta study leader! Now what?

### Your next steps are simple:

1. **Register** at <https://App.BeADiscipleApp.com/register>. (Check your junk folder if you do not immediately see the verification email.)
2. **Log in** to the **web version** of the app at <https://App.BeADiscipleApp.com/login/>.
3. “**Browse Studies**” and select the study you plan to lead. **Select the Leader Package.**
4. Read and click “Yes” next to the Leader Commitment statements, then **complete your purchase**. (If you pre-purchased a Leader Package, enter your code under the My Purchase section.)
5. **Complete Leader Training**. We recommend you do this on a computer.
6. **Create a study group**. (Module 8 in the training walks you through the simple process.) This will generate a unique Study Group ID that you give to participants to register for your group when they purchase the study.

### Then it's time to invite participants to join your Study Group.

- Share your Study Group ID and direct them to <https://app.BeADiscipleApp.com/register>. A sample email and follow-up to participants is included below that includes much more information.
